Experience

2018 – 2020

Business Development / Project Officer / Beeptool Communications & Integrated Services Ltd

Key Responsibilities

Supported business expansion for telecom and digital financial service products.

Coordinated field operations for rural connectivity and health innovation projects.

Conducted market assessments, customer onboarding, and partner outreach.

Facilitated product demonstrations and awareness campaigns across communities.

Assisted in preparing proposals, reports, and stakeholder documentation.

Achievements

Played a key role in community mobilization during early development of the Beeptool Clinic-in-a-Box Telehealth concept.

Successfully oversaw the sale of over 2,000 Oyi-One phones within two months, contributing significantly to revenue growth

Strengthened partner relationships that contributed to the transition into Lafiya Telehealth.

Supported pilot deployments that boosted Beeptool's presence in rural health technology initiatives.

2020 – PRESENT

Business Development & Project Manager / Product Manager / Lafiya Telehealth App LTD

Lead end-to-end deployment of telehealth kiosks and mobile health units.

Manage business development, partnership acquisition, and new market expansion.

Coordinate cross-functional teams including engineers, field agents, and health workers.

Oversee project timelines, logistics, budgeting, and stakeholder reporting.

Drive product improvement through user feedback and field data analysis.

Conduct presentations, training, and community sensitization sessions.

Key Achievements

Successfully deployed two integrated mobile health exam stations and one indoor telehealth kiosk in Kerepi and Mutala, South Sudan, in partnership with Operation Nehemiah Mission International (2023).

Led the telehealth deployment in Okungaga, Okpokwu LGA, Benue State, sponsored by Senator Abba Moro (2022).

Expanded Lafiya Telehealth's footprint in multiple underserved communities through strategic stakeholder engagement.

Consistently achieved high user adoption rates through effective community engagement strategies.

Contributed significantly to product evolution and operational efficiency of telehealth solutions.

Education

DECEMBER 2016

Higher National Diploma (HND) in Business Administration and Management / Benue State Polytechnic, Ugbokolo

Demonstrated academic diligence and excellence as a dedicated student, consistently achieving high academic standards.

Active member and one of the coordinators at the Deeper Life Campus Fellowship in Ugbokolo, contributing to the spiritual and community life on campus.

Maintained a reputation for integrity and dedication, embodying a dignified and committed approach to both academics and campus involvement.
