🔗 <https://www.linkedin.com/in/ossai-abraham>

I am a software engineer with experience building both mobile apps and websites for health, fintech, real estate, e-commerce, and agriculture industries. I enjoy turning ideas into real, working products that people can use every day. I am proficient in Flutter/Dart, Firebase, Vue Js, Next Js, Node.js, PHP, NoSQL and MySQL, and I'm comfortable with the full process - from design to launch.

Education

2018 – 2022 **Bsc. Computer Science**, *University of Cross River State* 🌐
Calabar, Nigeria

Skills

Mobile Development • Website Development • Team Leadership • Communication •
Problem Solving • Project Management • Critical Thinking
